Organisation et structure

Organisation and structure

Japan Road Association (JRA) provides the secretariat for the Japanese National Committee of PIARC.

2. Conférences, séminaires, réunions des CT en 2006**2. Conferences, Seminars, TC meetings in 2006****Organisation des CN: national/international****Organisation by NC: national/international****Travail conjoint avec d'autres organisations nationales****Joint organisation with other national institutions**

Japan Road Association has been supporting a project based in Mongolia in providing technical advisory for low cost road maintenance led by the IDI (Infrastructure Development Institute-Japan). To commemorate the completion of the publication of a manual, a ceremony will be organised on 12 September 2006. Dr. Mitani, PIARC/JRA Honorary President, will be participating in this event and deliver an address and introduce PIARC activities.

Travail conjoint avec d'autres CN**Joint organisation with other NC****Réunion des CT****TC meetings**

TC2.3 meeting / technical visit, Tokyo, 25-26 October 2005
 TC3.2 meeting / technical visit, Tokyo, 25-28 October 2005
 Professor TANIGUCHI, the Chair of TC2.4, held the TC meeting in Tokyo from 17-18 November 2005. All TC meetings in Tokyo ended successfully.
 Mr. Keiichi INOUE, ST1 Coordinator, invited Dr. John C. Miles, TC1.4 Chair, to discuss progress of the TC work and outline of each session in Paris Congress, and issues to be dealt with in the next PIARC Strategic Plan.

4. Soutien aux Premiers délégués	4. Support to First Delegate
---	-------------------------------------

Concours des Prix AIPCR 2007	PIARC prize 2007 competition
-------------------------------------	-------------------------------------

Japan decided to make a financial contribution for the prize to the best entry by a team from a developing country.
Accordingly a representative to the International Jury was nominated.
Papers of the winners of the National Competition were forwarded to the international Jury.

Nomination des membres des CT	Nomination of TC members
--------------------------------------	---------------------------------

Japan is represented in all of the 18 Technical Committees and one commission with 40 delegates.

Enquêtes et sondages	Surveys and questionnaires
-----------------------------	-----------------------------------

5. Congrès de l'AIPCR	5. PIARC Congresses
------------------------------	----------------------------

Congrès Viabilité Hivernale, Turin 2006 (participation, résultats)	2006 Turin Winter Road Congress (participation, results)
---	---

Japan was represented by about 100 delegates including road administrators, engineers from both public and private sectors, and members of the academia. We also set up a national stand in collaboration with the Hokkaido Development Agency to display our winter maintenance technology as well as the environment and safety challenges.

Congrès mondial de la Route, Paris 2007 (participation, préparation)	2007 Paris World Road Congress (participation, preparation)
---	--

Japan intends to participate in the Congress and will have a national stand at its exhibition. Also Japan will be contributing to the Historical Exhibition "Developments Seen Over 100 Years in 10 Sections of Road" as one of the ten exhibitors. The Japanese topic of the exhibition will be "The Economic Development by the Honshu-Shikoku Bridges." Currently, we are promoting a call for individual papers and preparing national reports for all four subjects.

6. Autres activités en 2006	6. Other activities in 2006
------------------------------------	------------------------------------

Assemblée générale, réunions avec les membres des CT, rencontres avec d'autres organisations nationales	General Assembly, meetings with TC members, meetings with other national organisations
--	---

The General Assembly meeting took place on 24 May 2006 where JRA's new President was elected. A meeting of the Japanese members of each TCs and its support members are organised every 1-2 month aiming at presenting the most up to date activity reports of each committee.

Relations internationales	International relations
<p>The Japan Road Congress organised by the Japan Road Association takes place every two years inviting international experts in the field of road transport. The next meeting is scheduled in Autumn 2007.</p>	

Promotion de l'AIPCR	Promotion of PIARC
<p>Dr. Mitani, Honorary President, and a member of the Commission on International Relations, PIARC / Japan Road Association attended the All India Seminar on Disaster Management: Experiences in Japan and India jointly organised by JSCE (Japan Society of Civil Engineers) and IEI (Institution of Engineers, India) on 14 -15 April 2006. To take advantage of this opportunity, Dr. Mitani met with the Director General of Road Development of India and encouraged him of India's active participation in PIARC activities.</p>
